

Paolo Santorio

CURRICULUM VITAE, DECEMBER 2016

CONTACT	School of Philosophy, Religion, and History of Science University of Leeds Woodhouse Lane, Leeds, UK LS2 9JT paolosantorio@gmail.com http://paolosantorio.net	
AOS	Philosophy of Language, Philosophy of Mind, Philosophical Logic	
AOC	Epistemology, Metaphysics, Metaethics	
EMPLOYMENT	Sept 2012—present	University of Leeds Lecturer (approximately equivalent to assistant professor)
	Sept 2011—Aug 2012 & July—Sept 2013	School of Philosophy, Australian National University Postdoctoral Fellow
EDUCATION	Sept 2005—Aug 2011	Massachusetts Institute of Technology PhD in Philosophy, with a minor in Linguistics
	1999—2005	Università di Bologna Laurea (M.A.) (<i>cum laude</i>)
GRANTS & FELLOWSHIPS	2013—2017	Marie Curie Career Integration Grant: <i>The Probabilistic Construal of Modality</i> <i>Principal Investigator</i> . EU funding yearly workshops and conference travel. Value: 100,000 euros.
	2005—2010	MIT Kenan Sahin Presidential Fellowship
	Summer 2005	DAAD scholarship for the study of German (covering tuition and living expenses for a German course in Berlin)
	1999—2005	Collegio Superiore scholarship from the University of Bologna (covering tuition, lodging, and a yearly allowance of 2,650 euros)

PUBLICATIONS

REFEREED JOURNALS:

- “Probability and Implicatures” (with Jacopo Romoli), forthcoming in *Semantics & Pragmatics*
- “Alternatives and Truthmakers in Conditional Semantics”, forthcoming in *Journal of Philosophy*.
- “Will Done Better: Selection Semantics, Future Credence, and Indeterminacy”
(with Fabrizio Cariani), forthcoming in *Mind*.
- “Interventions in Premise Semantics”, forthcoming in *Philosophers’ Imprint*.
- “Communication for Expressivists” (with Alejandro Pérez Carballo), *Ethics* 126(3), April 2016, pp. 607-635.
- “Nonfactual Know-How and the Boundaries of Semantics”, *Philosophical Review* 125(1), January 2016, pp. 35-82.
- “Descriptions as Variables”, *Philosophical Studies* 164(1), March 2013, pp. 41-59.
- “Reference and Monstrosity”, *Philosophical Review* 121(3), July 2012, pp. 359-406.

PAPERS IN EDITED VOLUMES:

- “Context-free Semantics”, forthcoming in *Oxford Studies in Philosophy of Language*, 2017 (pending final review).

CONFERENCE PROCEEDINGS:

- “Selection function semantics for *will*” (with Fabrizio Cariani), in T. Brochhagen, F. Roelofsen and N. Theiler, *Proceedings of the 20th Amsterdam Colloquium*, 2015.
- “Filtering Semantics for Counterfactuals: Bridging Causal Models and Premise Semantics”, in T. Snider, S. D’Antonio and M. Weigand (eds.), *Proceedings of Semantics and Linguistic Theory 24*, 2015.
- “Modals are Monsters: On Indexical Shift in English”, in D. Lutz and N. Li (eds.), *Proceedings of Semantics and Linguistic Theory 20*, 2011.

CIRCULATING DRAFTS

(AVAILABLE AT <http://paolosantorio.net>)

- “On the Plurality of Indices” (Rejected with invitation to resubmit at *Semantics & Pragmatics*)
- “Credence and Consequence for Indicative Conditionals”

TALKS

- “Credence and Consequence for Indicative Conditionals”
Conditionals Conference, University of Konstanz, November 2016
University of Birmingham, philosophy colloquium, October 2016
University of Connecticut, logic seminar, September 2016
- “Comments on Una Stojnic”
Normativity in Language Conference, University of Toronto, October 2016
- “Comments on Giorgio Magri”
Workshop on Exhaustivity, MIT, September 2016
- “Ground for Expressivists”
University of Hong Kong, Expressivism conference, June 2016
- “Cognitive Truthmakers”
University of Texas, Austin, departmental colloquium, Spring 2016
(Hans Kamp Seminar in Language and Logic speaker)

“Truthmakers and Alternatives in Conditional Semantics”

NYU Semantics seminar, September 2016
Society for Exact Philosophy, Miami, May 2016
Pacific APA Symposium, San Francisco CA, April 2016
University of Wisconsin, Milwaukee, Linguistics colloquium, October 2015
Philosophy of Language and Linguistics Conference, Dubrovnik, September 2014
University of Edinburgh Philosophy Seminar, November 2014

“Will Done Better: Selection Semantics, Future Credence, and Indeterminacy”

Central APA Symposium, Chicago IL, March 2016
Amsterdam Colloquium, December 2016

“On the Context Sensitivity of Conditionals”

Conference on Context Dependence, Salzburg, July 2015

“Probabilistic *Might* and the Free Choice Effect”

Pacific APA Symposium, April 2015

“Counterfactuals and Contradiction”

Institute of Philosophy, London, October 2014
University of East Anglia, March 2014
Yale University, October 2013

“Interventions in Premise Semantics”

Central APA invited Symposium, February 2015
Logic, Grammar, and Meaning Conference, University of East Anglia, June 2014
Semantics and Linguistic Theory 24 (poster session), NYU, May 2014
PhLiP Conference, Tarrytown NY, October 2013
ANU Philosophy Seminar, September 2013
University of Sydney Philosophy Seminar, September 2013

“Exhaustified Counterfactuals”

Symposium at the Pacific APA, San Diego, April 2014
Zentrum für Allgemeine Sprachwissenschaft (ZAS), Berlin, May 2013
AAP Conference, University of Queensland, July 2013

“On the Plurality of Indices”

Zentrum für Allgemeine Sprachwissenschaft (ZAS), Berlin, May 2013
Semantic content workshop, Oxford University, February 2013
Sinn und Bedeutung 17 (poster session), Paris, September 2012
Semantics and Linguistic Theory 22 (poster session), Chicago, May 2012

“Descriptions as Variables”

Bellingham Summer Philosophy Conference, Bellingham WA, August 2012
AAP Conference, University of Wollongong, July 2012

“Expressivist Communication and Relative Truth”

University of Sydney Philosophy Seminar, March 2012

“Know-How as a Directive Attitude”

University of Nottingham Philosophy Seminar, March 2013
Ordinary Language, Linguistics, and Philosophy Conference, St Andrews, June 2011

“Reference and Monstrosity”

PhLing Workshop, Northwestern University, October 2010
Bellingham Summer Philosophy Conference, Bellingham WA, August 2010
Arché Semantics Group, University of St Andrews, May 2010
AAP Conference, Melbourne, July 2009

“Modals are Monsters: On Indexical Shift in English”

Semantics and Linguistic Theory 20, Vancouver, April 2010
Semantics and Philosophy in Europe, London, April 2009

SERVICE

PROFESSIONAL SERVICE:

November 2014 Organizer of Nonstandard Modals workshop, Leeds
March 2014 Organizer of Philosophy of Language in the UK workshop, Leeds
2011–present Referee for *Semantics and Pragmatics*, *Journal of Philosophical Logic**,
Review of Symbolic Logic, *Philosophy and Phenomenological Research*, *Erkenntnis**,
*Mind**, *Dialectica*, *Australasian Journal of Philosophy**, *Philosopher's Imprint**,
Philosophical Perspectives, *Philosophical Studies**, *European Journal of Analytical Philosophy*,
*Noûs**, *Philosophical Review**, *Natural Language Semantics*
*multiple times
2009 Guest editor (with Alejandro Pérez Carballo) of a special issue of *Philosophical Studies* on Robert Stalnaker's 'Assertion'

DEPARTMENTAL SERVICE:

2014–2015 Undergraduate Curriculum Review Committee
2013–2014 Faculty meeting convener, School of Philosophy, University of Leeds
2013–2014 Philosophy Senior Seminar organizer, University of Leeds

TEACHING

UNDERGRADUATE:

Fall 12, 14, 16 Formal Logic, University of Leeds
Fall 12, 14, 16 Advanced Topics in Philosophy of Language, University of Leeds
Spring 13, 14, 15, 17 Introduction to Philosophy of Language, University of Leeds
Spring 13, 17 Topics in Epistemology: Theory and Evidence, University of Leeds
Spring 15 Advanced Topics in Philosophy of Logic and Mathematics, University of Leeds
Spring 17 Introduction to Metaphysics, University of Leeds

GRADUATE:

Fall 13 Modality in Natural Language, ANU
July 16 Degree Semantics and Modality (with Fabrizio Cariani and Alexis Wellwood)
North American Summer School in Language, Logic, and Information 2016, Rutgers

ADVISING

PHD STUDENTS:

2013-present Will Gamester, University of Leeds (co-supervisor, 20% time)
2013-present Nick Tasker, University of Leeds (co-supervisor, 20% time)

MA DISSERTATIONS:

2015 James Wood, "Correctness, Community, and the Rule-Following Considerations"
2013 Sam Coe, "Deliberative Background Shift: Kratzer Semantics, the Miners Puzzle and Acceptable Equivocation in Deliberation"

UNDERGRADUATE DISSERTATION:

2014 John Fernley, "Is There a Normative Relationship Between Logic and Rationality?"

LANGUAGES

English (fluent)
French (fluent)
German (intermediate)
Italian (native)
Latin (reading comprehension)
